1. Minutes of the meeting held on 18th November approved by the committee.

Proposer: P Hubbard

Seconder: P Grantham

2. No matters arising from those minutes.

3. Review of the MX championship conditions for 2022.

A, sponsorship is being arranged by P Armes and so it has been left blank on the championship conditions for the moment until we are informed by P Armes as to who has come forward with sponsorship.

B, It was decided that it will continue with sponsorship money to be divided between the number of rounds and to the clubs holding the rounds.

C, change of wording under transponders heading to read "In future at events there will not be manual lap scoring" instead of "In future at events there may not be manual lap scoring".

D, Under qualification and starting positions it suggested to say the clerk of the course has the right to amend a riders group for safety reasons.

E, The entry fee is set at £57.00 for the time being and if changes need to be made a later date due to an increase in meeting costs it will go to the committee.

F, Prize money to stay as last year and that some clubs may have additional prize money from individual sponsors.

## Championship conditions 2022

Proposer: D Blyth    Seconder: S Leek

4. Review of G Muff draft for entry to gazette. A Smith suggested it needs to a few lines to explain why the entry fee has been increased, i.e. to cover club expenses. GM is happy to have his email address at the bottom for any riders who have questions.

5. Marshalls fee. No decision was made on the fee paid to marshalls.

AF is going to speak to the marshalls at the upcoming marshalls seminar to see if they have any thoughts as to what they think is suitable.

DB suggested inviting some marshalls to a committee meeting.

6. AOB.

It was suggested to advertise in the Gazette, website and Facebook for a volunteer willing to lap score and for a commentator. MB was going to ask Chris Czora if he would be interested.

### Marshalls expenses.

After an email with the committee and a telephone conversation with A Foskew. The committee decided and voted by email to raise the marshalls expenses to £35.00 for Eastern Centre Championship Rounds.
